On November 21, 2017, the parties notified the Court that this case had settled. Dkt. No. 13. The Court ordered that the case be conditionally discontinued without prejudice and without costs, subject to an application by Plaintiff within thirty days to restore the case to the Court's active calendar. Dkt. No. 14. No such application has been received, and the parties have since executed this stipulation. Accordingly, the Court construes this stipulation as the parties' agreement to dismiss this action with prejudice under Rule 41(a)(1)(A)(ii).
